

Snacks – Day 2 – Handouts and Directions

Key Truth

God created all things. God established all good things. He even established the first marriage when he created Eve to be the proper mate for Adam.

Wedding Cake Cookies -

Today our snack will be a miniature wedding cake made from cookies so we can celebrate the wonderful gift of marriage.

- Cookies in 3 different sizes – We used chocolate chip cookies
 - Small
 - Medium
 - Large
- Your favorite icing of peanut butter or cream cheese – we used canned vanilla icing

DIRECTIONS –

Starting with the largest cookie, spread the icing on it to your taste, then do the same with the medium cookie and press it firmly onto the top of the large cookie. Repeat with the smallest cookie. Now you have a three-tiered cookie just like a three-tiered wedding cake.
