

Key Truth -

God has provided for us. Although we know He has provided for our physical needs like food, water, shelter and relationships, the most wonderful provision He has made for us is His gift of Himself for us in the body of His Son, Jesus Christ, who dies on the cross for our sins and rose from the dead to give us eternal life.

Gummy Fruit Kabobs –

In your kit – if you didn't get a kit, you can use whatever fruit gummies you can find

- 1 pack of 3D gummy Fruits
- 4 toothpicks

Directions –

Open your gummy fruit package and pour out the fruits on a napkin. Choose one of your toothpicks and then decide which fruits you want to have on that kabob. Carefully slide the gummies down the toothpick until it is filled with them. You can make as many kabobs as you have fruit to make. Maybe make them all match, maybe make them all different. After you finish, enjoy them. God is very good.
