

Games – Day 3 – Handouts and Directions

Key Truth

When we go into nature we can see the truth about our Creative God and know He is very good. God's love for us is perfectly expressed in Jesus Christ's sacrifice for our sins and resurrection to bring us into eternal life.

Supplies

The only thing you need for this game is:

- One copy of the scavenger hunt handout for each child
- Crayon or pencil for them to check off the ones they find.

If you received a kit, the handout is already in the kit. You will just need a crayon or pencil for each child.
