

# CREATION DAY

PRE-PRIMARY

## BACK TO THE BEGINNING

In the beginning, God made the heavens and the earth in six days. He made all the kinds of animals and plants. He made the first people, Adam and Eve. And it was all very good. (Genesis 1-2)

★ Color the pictures of God's incredible world! And circle the number 6!

IN SIX SHORT DAYS, EVERYTHING WAS MADE!

# INCREDIVERSES

## Today's Verse

For in six days the Lord  
made heaven and earth.  
Exodus 20:11 (ESV)

## Tomorrow's Verse

Your word is truth.  
John 17:17 (ESV)

★ Practice the verse several times, pretending to stomp around like Rex the *T. rex*.

**GO!** AND **DO!** →

**1** Let's praise God for his incredible creation! With someone's help, make a praise journal and see if you can think of things from A to Z that God created. For example, for S you can say stars, seahorses, or strawberries. Thank God for them.

**2** Have someone read Genesis 1 to you and count how many times God said, "It was good," or "It was very good." Tell your group guide tomorrow.

**3** Look out the window. What do you see that you can praise God for?

**4** Check [KidsAnswers.org/go/animals](http://KidsAnswers.org/go/animals) for info on some of God's amazing creatures!

**Ask yourself this question:**  
Does the Bible say God created everything in six days or over millions of years?

## WEAR YOUR BIBLE GLASSES

The Bible is God's Word! The Bible tells us the truth!

★ Draw a picture in each box below to show what the Bible teaches in its very first book—Genesis.

God created dinosaurs and people on day six!

God created people in his image, not from monkeys!

God created all kinds of animals. One kind of animal doesn't change into another kind!

God created a beautiful world in the beginning. There wasn't a big bang!

The Bible says it. That settles it!

# INCREDIVERSES

## Today's Verse

Your word is truth.  
John 17:17 (ESV)

## Tomorrow's Verse

Believe in the Lord Jesus,  
and you will be saved.  
Acts 16:31 (ESV)

★ Glow the lanternfish swims at the bottom of the sea where it is dark. God gave him his own special light. Practice the verse several times, pretending to swim around like Glowy would.

## GO! AND DO! →

- 1 Turn a light switch on and off and say, "God made the light!" Swim like a fish and say, "God made the fish!" Fly like a bird and say, "God made the birds!" Act like a lion, a bear, a dinosaur. Say, "God made the land animals!"
- 2 Go on a scavenger hunt through your house to find a book that says the earth or fossils are millions or billions of years old. Tell someone a reason this isn't true.
- 3 What book can you always trust? Draw a picture of it.
- 4 For fun information on the elephant kind—including woolly mammoths—visit [KidsAnswers.org/go/elephant](http://KidsAnswers.org/go/elephant).

**Ask yourself this question:**  
Do I trust the Bible more than  
all other books?

★ Fenwick lives in a little den (house) he digs out of sand in the desert. Practice the verse several times while pretending to dig a den like Fenwick.

**GO!** AND **DO!** →

1 Eat a piece of fruit (ask permission first), and tell someone about Adam and Eve and how sin entered the world. Explain what Admit, Believe, Forever Receive means.

2 Act out Jesus coming back to life.

3 Draw a cross. Give it to someone and say, "Jesus is alive!"

4 Visit [KidsAnswers.org/go/greatnews](http://KidsAnswers.org/go/greatnews) to find out more about the bad news/good news of Genesis 3.

**Ask yourself this question:**  
Have I received the gift of eternal  
life and become a child of God?

## A CLOSER LOOK AT GOD'S HANDIWORK

God made all kinds of birds on day five. He designed them just right.

★ Color the pictures of some of the incredible birds God made!

God designed macaws with large, curved **beaks** that can crush seeds, fruits, and nuts. Their tongue has a bone in it to help them break open and eat hard food.

God gave the pelican webbed **feet** that work as paddles in the water and help them walk on land.

God gave birds **feathers** that are light but strong. He gave them hollow bones. And birds today don't have teeth. All of these things make birds light so they can fly easily!

### IT COULDN'T JUST HAPPEN. GOD MADE THEM THAT WAY!

# INCREDIVERSES

## Today's Verse

Great are the works of the Lord.  
Psalm 111:2 (ESV)

## Tomorrow's Verse

Behold, Behemoth, which I made as I made you. . . . He makes his tail stiff like a cedar.  
Job 40:15,17 (ESV)

★ Tern can fly for a really long way. He flies from the top of the world to the bottom of the world and back every year as God designed him to. Practice the verse several times while pretending to fly around the "world" (the room) like Tern.

1 Act out Adam naming the birds.

2 Make a poster of your favorite animal. Have someone write, "It couldn't just happen. God made them that way!"

3 Look out the window. When you see a bird, praise God and say, "The works of the Lord are great!"

Will I praise God with my whole heart for his great works?

# Day 5 DINO DAY

NAME

## LET'S CLEAR UP THE CONFUSION

The Bible gives us the truth about dinosaurs. God made dinosaurs on day six about 6,000 years ago. And they were "very good." (Genesis 1)

Draw a picture of Adam with a dinosaur.

All animals and people ate only plants in the beginning. (Genesis 1)

Draw a picture of fruits and veggies a *T. rex* may have munched on in the beginning.

Draw a picture of dinosaurs entering Noah's ark.

After the flood went away and Noah's family and the animals came off the ark, they began to move to different parts of the world. Job was a man who wrote about a dinosaur (called "behemoth") he saw (Job 40). Some people drew pictures of the dinosaurs they saw.

After Adam sinned, the animals changed and began to eat each other. Soon, God judged the sin of mankind with a worldwide flood. God saved Noah's family and the animals on the ark. (Genesis 3-9)

Trace the picture of the animal that Native Americans drew on a rock. It looks like a dinosaur!

Eventually, like many other animals, dinosaurs died out (became extinct). Maybe they didn't have access to as much food. Maybe people hunted them too much. But there's no mystery when we use our BIBLE glasses to study dinosaurs!

THEY LIVED AT THE TIME OF MAN!**

# INCREDIVERSE

Behold, Behemoth, which I made as I made you. . . . He makes his tail stiff like a cedar.

Job 40:15, 17 (ESV)

★ Move around like a giant sauropod dinosaur, as you say today's verse.

**GO!** AND **DO!** →

1

Make a picture showing behemoth or leviathan. (Behemoth is thought to be a sauropod dinosaur.)

2

Dinosaurs can be used as "missionary lizards" to tell others about God and his truths. Share something about dinosaurs and God's Word with someone today.

3

See how many things you can name that God created. Say, "Isn't God incredible?"

4

Find out more about dinosaurs by visiting [KidsAnswers.org/go/dino](http://KidsAnswers.org/go/dino).

**Ask yourself this question:**  
Will I tell others what I've learned from God's Word about dinosaurs and all of God's creation?
